SENIOR PLANNER
CITY OF CLOVIS**

WHAT IS TACTICAL URBANISM?

A word cloud of terms associated with Tactical Urbanism. The words are arranged in a loose, organic shape in the center of the slide. The colors of the words vary, including shades of green, blue, and grey.

change
community teamwork
grassroots
diy people neighborhood
environment
low cost
urban

Small-scale actions serving a larger purpose

Short term action, long term change

Sense of community...

Sense of pride...

Sense of place...

Sense of fun...

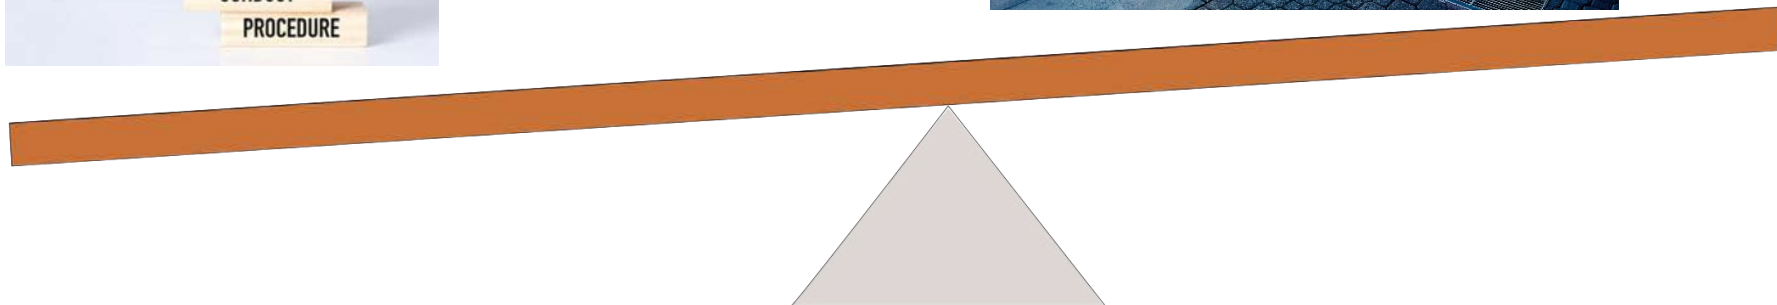

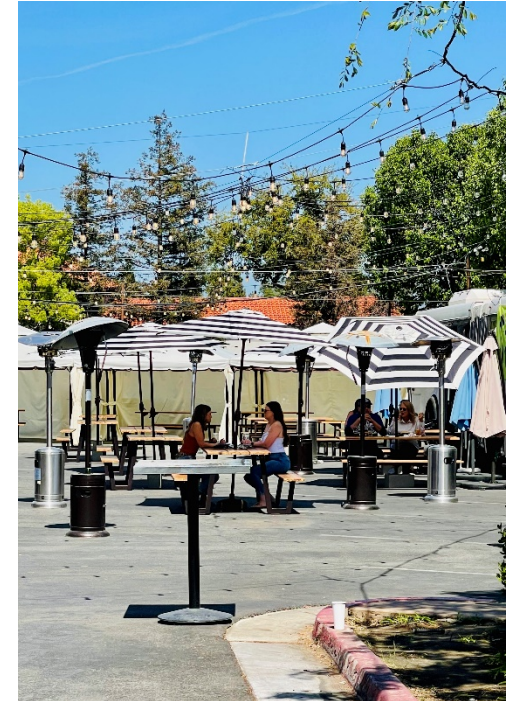

And then there was COVID-19...

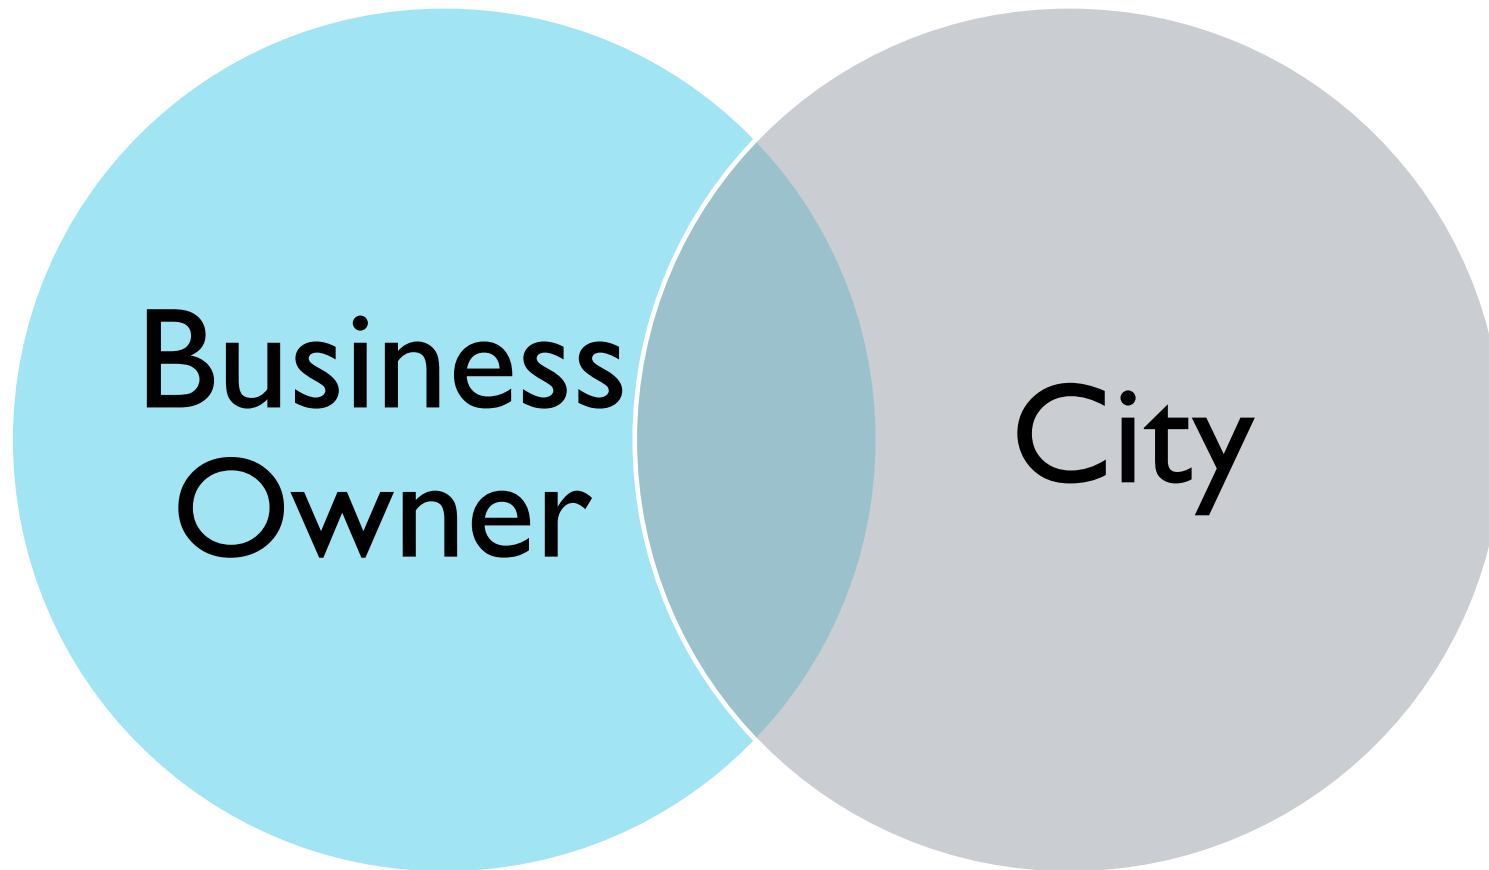

Less about “fun,” more about survival...

Regulation vs. adaptation...

New opportunities...

Now what...

Use partnerships as building blocks...

Make changes where needed...
