

THE APA CENTRAL SECTION
&
FRESNO COUNCIL OF GOVERNMENTS (FCOG)
PRESENT

**A Workshop on Middle Missing Housing
by Opticos Design, Inc.**

We invite jurisdictions in Fresno County and across the Central Section — Come explore a wider variety of housing types that could help you meet your Housing Element requirements and address the housing crisis with a greater range of options that fit within the character of your existing communities.

**Friday, January 29, 2021
11:45 AM – 1 PM**

**Free Virtual Workshop
1 AICP CM Credit**

**REGISTER

Speaker Highlight

Tony Perez — Senior Associate, Opticos Design, Inc.
33 years of experience—12 as a public sector planner and the past 21 writing Form-Based Codes in small towns, cities and countywide.

Missing Middle Housing refers to the *house-scale multiunit buildings* including duplexes, fourplexes, and bungalow courts, that respond to the demand for *walkable neighborhood living*.

OPTICOS DESIGN INC.
